

M3 Leadership

Modern, Mature, and Motivated Leadership Redefined for Senior Adults

Empowering Senior Leadership since 2008

Modern, Mature and Motivated (M3) is how we define our leadership program for dynamic, active senior adults 50 and older. Our M3 Leadership program began in 2008 and is made up of retired or semi-retired adults who wish to learn more about their community and become more involved in making the Donelson, Hermitage, Old Hickory and City Side community a better place to live.

Program Expectations

Program days are August through December and are intended to enhance community awareness. The topics of program days include history, diversity, volunteering, government, transportation, culture, faith, criminal justice and transportation.

Community volunteerism is encouraged to our M3 Leadership Class members. Participants are expected to complete 10 hours of community service volunteerism. Some examples include working shows at the Larry Keeton Theatre at FiftyForward Donelson Station, and volunteering at local non-profit organizations.
